Description

Idaman Residence is a luxury high-end condominium situated right opposite to the Petronas Twin Towers in KLCC. The exclusive resort condominium is located right in the center of the KL's Golden Triangle, where one could indulge in shopping, dining and recreational activities that catered especially for those city folks.

Towering 34-storey high over the city center, Idaman Residence was built on 1.45 acres of premier freehold land with optimum layout designed to enhance individual private spaces. There are nine units of apartments on each floor with sizes ranging from 877 up to 2,17.... [\[More\]](#)
