Description

Surrounded by pristine natural greenery, Sebana Cove Resort is a 1,200-acre resort township ,where residential and commercial units are cohesively planned around an exclusive private marina , an 18-hole golf course and vast swathes of natural greenery. The exclusive and luxurious residences in Sebana Cove Resort are tastefully designed. Sebana Cove Resort is located next to the Pengerang Integrated Petroleum Complex (PIPC), an upcoming purpose-built economic region in eastern Johor spearheaded by the Government. It is also near to popular tourism spots like Desaru Coast, allowin.... [\[More\]](#)
